

2025-2026 Request for Admission into Kindergarten

Pursuant to PCSD 6 Board Policy JEB - A child may be considered for kindergarten registration in the year in which his/her fifth birthday falls after August 1st and through September 15th. The district shall utilize a comprehensive readiness assessment to determine whether the child is developmentally, academically, and socially ready to attend the applicable grade. The Board shall approve or deny requests for admission based on administrative recommendations. The comprehensive readiness assessment consists of an academic screener in language arts and mathematics along with a social-emotional screener that is completed by one or more of the following individuals (e.g. KRC teacher, preschool teacher, Sunday school/youth group leader). As many social-emotional screeners are collected as possible to provide the most accurate assessment of the child's social-emotional status.

Based on the comprehensive readiness assessment the following students **are** being recommended for admission into Kindergarten for the 2025-2026 school year.
