ACTIVITY AND ATHLETICS WAIVER

Students participating in activities are at risk to suffer injury during activities, or athletic practice, or competitions. On rare occasions, these injuries or accidents can be so severe as to result in total disability, paralysis or even death. If you have any questions, you are urged to contact the Activities Office. By providing consent herein you acknowledge that even with the use of protective equipment and strict observance of rules, injuries or accidents are still a possibility.

The District does not provide insurance for students' participation in activities. Parents/legal guardians and students are expected to provide their own health insurance and agree to be responsible for any medical expenses and other damages incurred. By providing consent herein you are agreeing to accept financial responsibility for any medical expenses and other damages incurred by the student as a result of their participation in activities. You also agree to waive all claims of liability against the District allowed by law associated with your child's participation in activities and athletics. The Wyoming High School Activities Association may carry catastrophic insurance coverage in certain circumstances. You are encouraged to contact the Activities Office with any questions in this regard.
