Jim Pehringer, Transportation Supervisor
Park County School District #6
919 Cody Ave
Cody, WY 82414

The committee has reviewed your request, taking into consideration the needs of the students within your district, special education services, your transportation department, the district staff, and the environmental factors of your district. We recognize the importance of these vehicles in meeting the safe, educational, and logistical needs of your district.

The committee has approved the addition of two MPVs to your current fleet size, effective immediately. The State Pupil Transportation Director will coordinate with the District Transportation Supervisor and/or the Business Manager to finalize the details and requirements needed to make this addition.

Once you have chosen the appropriate vehicle that meets the needs of the district and meets the requirements of an MPV in accordance to the Wyoming Chapter 2 Rules, the total cost will be fully reimbursed in accordance with the invoice you send to the department.

Please reach out if you have any questions or clarification on this matter at 307-777-6984 or trenton.vonburg@wyo.gov.

Thank you,

Trenton Vonburg
State Pupil Transportation Director

CC: Dawn Solberg, Business Manager
